

# 53<sup>rd</sup> Intersteno Congress 2021 in Maastricht [the Netherlands]

Due to the Covid-19 sanitary crisis the 53<sup>rd</sup> Intersteno congress is postponed – unfortunately - to July 2022

Dear colleagues and friends

Given the actual situation of the world wide Covid-19 sanitary crisis, we regret to announce that the planned 53<sup>rd</sup> Intersteno Congress 2021 in Maastricht (the Netherlands) will be **postponed until July 2022**.

The **most probable** new congress date is from **Wednesday 20 to Monday 25 July 2022**, date still subject to changes because of the unknown concert agenda of André Rieu in 2022. (During the concert period in his home town Maastricht, hotel rates are very high.)

The organization committee is preparing the transfer from 2021 to 2022 and hopes to publish a tentative program in Summer 2021.

From now on, the new congress website is [www.intersteno2022.org](http://www.intersteno2022.org). The general address for e-mail is [info@intersteno2022.org](mailto:info@intersteno2022.org).

We ask for your understanding, hope you are doing well and are looking forward to meet you again in 2022 in hopefully safe conditions.

Best regards and *stay safe!*
